

IMPORTANT NOTICE REGARDING DIRECT TRANSFERS

A direct transfer of assets allows you to move your retirement plan balances from one approved recordkeeper to another and retain contribution source information as the funds move. (TIAA-CREF will only process a direct transfer from another approved recordkeeper within your plan.) Because source information dictates eligibility for plan features, such as loans and hardship distributions, TIAA-CREF requires contribution source information to be sent to us along with the transfer check. If we do not receive this information promptly, we will follow up with your current recordkeeper. If the employer has previously instructed TIAA-CREF to do so in these circumstances, we would reject the transfer back to the current recordkeeper. We also will follow up with you and your employer to ask for assistance encouraging the alternate recordkeeper to provide the information. Until TIAA-CREF receives the source breakdown, you should be aware we will assume the funds were contributed by your employer. **Employer contributions normally are not considered for purposes of calculating balances available for loans and hardship distributions.** When TIAA-CREF receives the source breakdown, your transferred assets will be re-categorized properly and eligible for your plan's features.

WHEN DO I USE THIS FORM?

Complete this form to authorize the transfer or rollover of funds to TIAA-CREF. A separate form with an **original signature** must be completed and returned to TIAA-CREF for each carrier or fund provider from which you are transferring/rolling over funds. You may photocopy this form if you want to transfer or roll over funds from multiple accounts or fund carriers/providers.

Contract Exchange: If you have not experienced a qualifying event (separation of service, disability or attainment of age 59½) you may move your 403(b) assets within your current employer's plan from one carrier to another carrier, via a contract exchange, if permitted by the plan.

Direct Transfer: If permitted by your employer's plan, you may transfer your retirement assets from one carrier directly to another approved carrier within the same plan.

Plan-to-Plan Transfer: Upon separation of service you may move your 403(b) assets to a 403(b) plan with your new employer. Both your prior employer and your new employer must allow for plan-to-plan transfers.

Rollover: Separation from service, disability or attainment of age 59½, may qualify you for a roll over of assets from one account to another account. A direct rollover may be to any eligible retirement plan that agrees to accept the rollover and that includes qualified plans under 401(a)/403(a) (including 401(k) plans), 403(b) plans, governmental 457(b) plans, and IRAs. An indirect rollover is a distribution to an employee who rolls it over to another tax-qualified plan or IRA within 60 days from distribution.

TRANSFER, ROLLOVER OR EXCHANGE INTO YOUR ACCOUNTS AT TIAA-CREF

*If your transfer/rollover to a Traditional IRA includes Roth 403(b)/401(k) contributions, the amount attributable to Roth 403(b)/401(k) contributions will be made to a Roth IRA since IRS regulations allow Traditional IRAs to receive only pre-tax funds.

**For Rollovers into a Roth IRA: Please note that funds from an employer sponsored retirement plan will be converted. The conversion is considered a taxable event. If you are unable to do this conversion with your current carrier or fund provider, then you must first establish a Traditional IRA with TIAA-CREF. If the funds include Roth 403(b)/401(k) contributions, those contributions are not taxable. However, the Roth earnings may be taxable.

***For 457(b) private plans: These funds are going into a contract that is part of your employer's general assets and is subject to the claims of your employer's creditors.

8. AUTHORIZATION AND ROLLOVER WAIVER

By signing in the "Your Signature" box below:

I authorize the current carrier or fund provider to transfer/roll over the assets from my account(s) as stated on this form for immediate deposit into my TIAA-CREF funds.

If necessary for the purpose of this transfer/rollover, I also authorize the current carrier or fund provider to liquidate immediately, and transfer the proceeds in the form of a check to my funds listed on this form, any mutual fund shares, company stocks, bonds, or other financial investments held in the account(s).

The current carrier or fund provider may release information pertaining to the contributions and earnings attributable to the transfer/rollover amount, as requested by TIAA-CREF. I also authorize TIAA-CREF to contact my current carrier or fund provider on my behalf to arrange the transfer/rollover of these funds.

I understand, for rollovers to plans other than an IRA, if I do not name an employer, my funds will be applied to the last known premium-remitting institution that accepts rollover funds into their plan and will be subject to the rules of that plan.

I understand that if I roll over a distribution from another plan into a TIAA-CREF Retirement Annuity, Group Retirement Annuity, Retirement Choice, Retirement Choice Plus, Supplemental Retirement Annuity or Group Supplemental Retirement Annuity contract, my right to receive a distribution of these funds prior to or following my termination of employment from the employer sponsoring the plan that is accepting the rollover, will depend on the terms of that plan and the TIAA-CREF account to which the funds are being rolled over.

I further understand that if I roll over a distribution from another plan into a TIAA-CREF Retirement Annuity, Group Retirement Annuity, Retirement Choice, Retirement Choice Plus, Supplemental Retirement Annuity, or Group Supplemental Retirement Annuity contract, to the extent the plan accepting the rollover is subject to the Employee Retirement Income Security Act (ERISA), spousal rights will apply to the funds and I may need a signed waiver from my spouse in order to receive a subsequent distribution of these funds to the extent the distribution is permitted by the new plan and receiving contract account.

I understand that I am responsible for determining my eligibility to transfer, roll over, or exchange within the limits set forth by tax laws, related regulations, plan regulations and plan agreements. I assume responsibility for any tax consequences or penalties that apply to the requested transactions.

I have read and understand the above conditions and I request that TIAA-CREF accept a transfer/rollover of funds to my TIAA-CREF account under a qualified plan.

By signing below, I agree to be bound by these conditions.
