

GETTING MORE. NOW THERE'S A PLAN.

Your plan has more benefits than you probably realize.
Tap into all of them, all in one place.

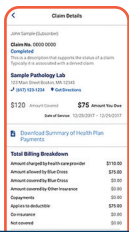

MyBlue is your key to more features and savings. Plus, up-to-date status for claims, your deductible, account balances, and more. It's like a free upgrade for the plan you already have.

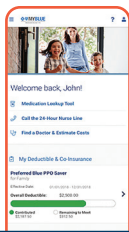

YOUR PLAN IN YOUR HAND

Once you sign in or create a MyBlue App account, you can see all of your benefits in one place. Track your claims, and view your deductible and HRA/HSA balances by scrolling to the bottom section called Financial Plan under your health dashboard.

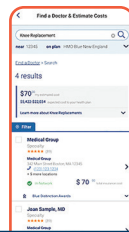

In the Home Menu, you can also view your HRA or HSA information by selecting My Plan & Claims and My Health Financial Accounts, which will then take you to the HealthEquity website. Plus, you can easily keep track of reimbursements and savings.
