

Important Notices

Notice Regarding RCAB Health Benefit Trust Wellness Program

The RCAB Health Benefit Trust's Wellness Program ("Wellness Program") is a voluntary wellness incentive program available to all eligible employees and spouses enrolled in one of the RCAB Health Plans. The Wellness Program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the Wellness Program, you will be asked to complete a voluntary health assessment through the Blue Cross Blue Shield of Massachusetts *ahealthyme* site that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the *ahealthyme* health assessment or other medical examinations. The information from your *ahealthyme* health assessment will be used to provide you with information to help you understand your current health and potential risks. You also are encouraged to share your results or concerns with your own doctor.

Eligible employees and spouses can earn HRA or HSA points by participating in activities listed on the flyer in this booklet. One point is equal to \$10. Each enrolled employee or spouse can receive credit for a maximum of 1,000 points (if enrolled in the Enhanced or Basic PPO Plan) or 500 points (if enrolled in the RCAB High Deductible Health Plan "HDHP") per Plan Year through participation in the Blue Cross Blue Shield of Massachusetts *ahealthyme* Program and MoveSpring Challenge Program. Points for completed wellness incentives will be deposited into HRA accounts (or HSA accounts for those enrolled in the HDHP) with HealthEquity. An additional \$150 HRA or HSA contribution per enrolled employee and spouse per Plan Year can be earned as a Wellness Rewards reimbursement for qualified expenses. Visit catholicbenefits.org/health/wellnessrewards.pdf for information.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Donna Ynaya Porter, RCAB Benefits Department, at dporter@rcab.org.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the RCAB Health Benefit Trust may use aggregate information they collect to design a program based on identified health risks in the workplace, we will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the Wellness Program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the Wellness Program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold. In addition, your information will not be exchanged, transferred, or otherwise disclosed, except to the extent permitted by law, to carry out specific activities related to the Wellness Program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the Wellness Program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the Wellness Program will abide by the same confidentiality requirements.

In addition, all medical information obtained through the Wellness Program will be maintained separately from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the Wellness Program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the Wellness Program, we will notify you immediately and take appropriate mitigating action as needed.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the Wellness Program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Donna Ynaya Porter, RCAB Benefits Department, at dporter@rcab.org.

Hospital Stays for New Mothers and Newborns

Under federal law, health plans may not restrict benefits for any length of stay in a hospital for new mothers and their newborn child(ren) to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. The mother and newborn's attending provider is not required to obtain authorization from the health plan for prescribing a length of stay over 48 (or 96) hours and may also discharge the mother and newborn (after consulting with the mother) earlier than 48 (or 96) hours.

Women's Health and Cancer Rights Act

The Roman Catholic Archdiocese of Boston Health Benefit Trust Health Plan (the "Plan"), as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. Contact the RCAB Benefits Department at (617) 746-5640 for more information.

HIPAA Special Enrollment

If you have declined enrollment in the Plan for you or your dependents (including your spouse) because of other health insurance coverage, you or your dependents may be able to enroll in some coverages under this plan without waiting for the next open enrollment period, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Medicaid/CHIP – Special Enrollment

The Plan will also hold a special enrollment opportunity for employees and their eligible dependents that have either:

- Lost Medicaid or Children's Health Insurance Program (CHIP) coverage because they are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have 60 days – instead of 30 – from the date of the Medicaid/CHIP eligibility change to request enrollment in the Plan. Note that this new 60-day extension doesn't apply to enrollment opportunities other than due to the Medicaid/CHIP eligibility change. See the enclosed Notice for more details.

HIPAA Privacy Notice Reminder

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) require The

Archdiocese of Boston Health Benefit Trust (the “Trust”) to periodically send a reminder to participants about the availability of the Plan’s Privacy Notice and how to obtain that notice. The Privacy Notice explains participants’ rights and the Plan’s legal duties with respect to protected health information (PHI) and how the Plan may use and disclose PHI.

To obtain a copy of the Privacy Notice, contact the RCAB Benefits Department at (617) 746-5640 for more information or visit catholicbenefits.org/privacy.htm.

You may also contact Carol Gustavson at cgustavson@rcab.org for more information on the Trust’s privacy policies or your rights under HIPAA.

**Important Notice from the Roman Catholic
Archdiocese of Boston Health Benefit Trust about
Creditable Prescription Drug Coverage and Medicare
May 2023**

The purpose of this notice is to advise you that the prescription drug coverage listed below under The Archdiocese of Boston Health Benefit Trust Health Plan (the “Plan”) is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2023. This is known as “creditable coverage.”

Why this is important. If you or your covered dependent(s) are enrolled in any prescription drug coverage during 2023 listed in this notice and are or become covered by Medicare, you may decide to enroll in a Medicare prescription drug plan later and not be subject to a late enrollment penalty – as long as you had creditable coverage within 63 days of your Medicare prescription drug plan enrollment. You should keep this notice with your important records.

If you or your family members aren’t currently covered by Medicare and won’t become covered by Medicare in the next 12 months, this notice doesn’t apply to you.

Please read this notice carefully. It has information about prescription drug coverage under the Plan and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

You may have heard about Medicare’s prescription drug coverage (called Part D) and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

If you are covered by the Plan, you’ll be interested to know that the prescription drug coverage under the Plan is, on average, at least as good as standard Medicare prescription drug coverage for 2023. This is called creditable coverage. Coverage under this plan will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the employer plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop coverage under the Plan, Medicare will be your only payer. You can re-enroll in the employer plan at annual enrollment or if you have a special enrollment event for the Plan.

You should know that if you waive or drop coverage under the Plan and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will

always be at least 19% higher than what most other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to enroll in Part D.

You may receive this notice at other times in the future – such as before the next period you can enroll in Medicare prescription drug coverage, if the prescription drug coverage under the Plan changes, or upon your request.

For more information about your options under Medicare prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. Here's how to get more information about Medicare prescription drug plans:

- Visit www.medicare.gov for personalized help.
- Call your State Health Insurance Assistance Program (see a copy of the *Medicare & You* handbook for the telephone number).
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov or call 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this notice. If you enroll in a Medicare prescription drug plan after your applicable Medicare enrollment period ends, you may need to provide a copy of this notice when you join a Part D plan to show that you are not required to pay a higher Part D premium amount.

For more information about this notice or your prescription drug coverage, contact:
Carol Gustavson, Plan Administrator, 66 Brooks Drive, Braintree, MA 02184; (617) 746-5830;
benefits@rcab.org; www.catholicbenefits.org.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a

collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebesa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)
