Thank you for being a part of the Dell Employee/Education Purchase Program (EPP). With this program, we make it easy for you to save on quality technology products you need for home use. Here's how it works:

- **Buy with ease.** Order from the featured systems, which are pre-loaded with a lot of great features. These systems are built exclusively for EPP members and offer additional savings providing you the best value on a Dell Home PC¹.
- **Customize your system.** Alternatively, meet your unique needs by customizing any system and getting an additional 7% discount on top of generally advertised Dell Home and Home Office promotions.
- **Add the extras.** Save an additional 7% off electronics and accessories on top of generally advertised Dell Home and Home Office promotions.
- **Call-in Price Guarantee².** If you find a better deal on a new Dell home system anywhere on www.dell.com/home, call one of our EPP sales representatives at 1-800-695-8133 to beat the current Dell Home PC price. It's another benefit of Dell EPP.
