RCAB and Affiliated Employee Burial Discount Policy

An employee, as referred to in this policy, is defined as any employee of RCAB or an affiliated entity, except temporary seasonal employees.

The RCAB Employee Burial Discount Policy currently in effect applies only to active RCAB employees with five (5) years or more of service, or pensioned RCAB employees and their family members as outlined below.

Employee family members as referred to in this policy are:

Mother	Father
Spouse	Children

There will be a 20% discount in lot or columbarium price in any of The Catholic Cemetery Association cemeteries for all eligible employees and their families. If the employee or family member wishes to purchase space in a mausoleum, that space will be available at a 12% discount. **Please note** this price discount applies to a maximum of two (2) burial spaces per employee and/or family member within this policy.

In addition, there will be a 20% discount for burial fees, which includes interment/entombment, a cemetery provided container and foundation.

Eligible employees are urged to remind their family members covered under the policy to make their pre-arrangements at a suitable time. If you need additional information, or have any questions, please contact our offices or any of our Family Services Coordinators.
